

BROAD SPECTRUM HEMP CBD DROPS WITH NATURAL BOTANICALS

Total mg CBD in 30 ml bottle = 1000 mg CBD | 5 drops = @ 8 mg CBD

DAY

INGREDIENTS? Cold-Pressed Oils (Extra Virgin Olive Oil, Hemp Seed Oil), Broad-Spectrum CBD derived from Hemp, Calendula, Lavender, Chamomile.

HERBS? We have specially formulated whole-plant extracts of CBD, Calendula, Lavender, and Chamomile into a base of nutritional Olive and Hemp Oils for a blend that will soothe your nervous system without causing drowsiness.

SUGGESTED USE? Use daily to benefit from CBD (as well as our other specifically selected herbs) over a long-term period. We have found that our Botanical Drops may help with: stress & anxiety, muscle spasms, nerve discomfort, inflammation, headaches, etc. in a non-drowsy formula.

NIGHT

INGREDIENTS? Cold-Pressed Oils (Extra Virgin Olive Oil, Hemp Seed Oil), Broad-Spectrum CBD derived from Hemp, Chamomile, Hops, Passionflower, Lavender.

HERBS? We have specially formulated whole-plant extracts of CBD, Chamomile, Hops, Passionflower and Lavender into a base of nutritional Olive and Hemp Oils for a blend that will soothe your nervous system and promote sleep.

SUGGESTED USE? Use nightly to benefit from CBD (as well as our other specifically selected herbs) over a long-term period. We have found that our Botanical Drops may help with: insomnia, stress & anxiety, muscle spasms, nerve discomfort, inflammation, headaches, etc.

INSTRUCTIONS? Shake well. Ingest 3-5 drops under the tongue or on food. Wait 2-3 hours and then re-dose as desired. Work up to a dose that works for you. May be taken on a full or empty stomach. Natural product, color may vary.

DOSAGE? Every individual is different; different doses may offer different results. Always start with a small amount and work up to larger doses. This product may result in feelings of drowsiness or wakefulness depending on the amount you take (for example: a small dose may wake you up, while a larger dose may cause drowsiness). Your dose is your choice!

WHO? Every body! Recommended for all people!

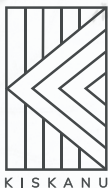

EFFECTS? You will likely feel effects within 15-20 minutes, and they may last up to three hours. You may experience positive results over a longer period of time. We consider CBD to be an adaptogenic herb (a natural substance considered to help the body adapt to stress and to exert a normalizing effect upon bodily processes).

INTOXICATING? You will experience no intoxication. Always start with a small amount and work up to larger doses. Contains between 0-0.3% THC (in compliance with the 2018 Farm Bill).

STORAGE? Keep in a cool dark place. Store out of direct sunlight. May last up to two years (product will smell rancid when expired).

ORGANIC? Made with Broad Spectrum Hemp CBD grown in the USA. All other ingredients we use are certified organic or wild-crafted. Our CBD as well as our final products are third party laboratory tested to parts per billion for heavy metals, pesticides, mycotoxins, potency, and residual solvents.
